Dear Sisters and Brothers of the TRU Faculty Association,

On behalf of the BCIT Faculty and Staff Association, I am writing to express our support for your job action.

Your commitment to securing permanent full-time work, to ensuring academic quality through reasonable class sizes, and to maintaining decent levels of instructional support is helping to advance the interests of faculty, staff, and students across the province.

By fighting for these rights, you are fighting to preserve the quality of public education in BC. All these concerns are our concerns as well. Your fight is our fight.

The BCIT Faculty and Staff Association truly appreciate your commitment to improving academic work and wish you all the best in bargaining.

Stay united and strong.

In solidarity,

**Teresa Place**
