

BCITFSA Member Education – Application Form

In fiscal year 2022-23, the BCITFSA Board of Directors committed to allocate additional funds for member training with related organizations, usually affiliates, including but not limited to the Canadian Labour Congress and BC Federation of Labour. In fiscal year 2023-24, the Training, Educating, and Activating Members (TEAM) program and Committee were formed. The TEAM Committee will process member requests for funding to attend education and training events according to the following criteria.

- 1. Priority will be given to members who have shown interest in BCITFSA and Union programs through volunteerism.
- 2. Applicants must clearly outline the benefits to the applicant and the Association.
- 3. Approval may include full or partial funding for the activity.
- 4. Members will be limited to one (1) approved application per fiscal year.
- 5. It is generally preferable to fund attendance to various events, instead of multiple members at the same event.
- 6. Priority will be given to activities that equalize opportunity across BCITFSA members and groups and align with the FSA Strategic Plan.
- 7. Priority will be given to FSA affiliate's programs or union-focused courses or programs.
- 8. The intent of this program is not to leave FSA members or departments struggling due to member's absence.
